#### INSTRUCTIONS TO CANDIDATE

Printed By: Technical And Vocational College

- 1. Dath: expaperzeon: sists as of TWO sections: A and B.
- 2. Attempt ALL the questions in Section A and and in the PEE of the Stite Section in Bal College
- 3. You are provided with a separate answer booklet
- 4. **DO NOT** write on this question paper.

Printed By: Technical And Vocational College

5. Do not write on the question papers 1045 AM

Printed By: Technical And Vocational College

Date: 04.08.2025 10:45 AM

This paper consists of FOUR (4) printed pages.

Candidates should check the question paper to ascertain that all pages are printed as indicated and that no questions are missing.

#### **SECTION A (40 MARKS)**

### Answer ALL the questions in this section.

1. An engineering work Analytomiotive engineer. Define an engineering Date: 04.08.2025 10:45 AM workshop. (2 Marks) 2. There are a number of workshop safety rules, which should be adhered to when performing, an in an engine ering, workshop. State five of these workshop safet 🖓 artu: 1 e4s 0a8n2d 2r5e1g0u 4 5at4i 16 ns. (5 Marks) Workshop tools are grouped into different classifications depend the purpose. List **four** classifications of workshop tools. Date: 04.08.2025 10:45 AM (4 Marks) 4. In order for workshop tools to have a long life, they should be maintained properly. State four general ways of maintaining workshop tools. (4 Marks) 5. Soldering and brazing are both methods of joining metals using heat. Differentiate between the two. (4 Marks) 6. Metals can be joined through mechanical means either temporarily or permanently. Name Printe tah Brye. @ umrto frejohim a na gama e/taalasiobaya moe cahanical means. (3 Marks) 7a.te: Ind. 08 r2d e f 16o45 c ull a work piece, marking out and measurement must be done first. Differentiate between marking out and measuring as applied in workshop practice. (4 Marks) Printed By: Technical And Vocational College 8. When operating any workshop machine, one pm u starbae of the solution of the proper Personal Protective Equipment (PPE). List **four** of these PPE. (4 Marks) 9. When fab or carrying out a mechanical project, one must have an operation plan. Define an operation plan. (2 Marks) 10. There are different positions a welder can take when jds through welding. List Date: 04.08.2025 10:45 AM **four** welding positions. (4 Marks) 11. The following tools are of importance use in an automotive engineering workshop. Printed By Technical And Vocational College Sketch them and state theiropurpzose:10:45 AM (i) Rubber mallet (2 Marks) (ii) Ring spanner (2 Marks)
